

# Celebrate in style

**Your summery celebration**  
at Platzl Hotels  
June to September 2025

The background of the advertisement features two elegant, clear glass tumblers filled with a refreshing beverage. Each glass contains several large, vibrant red strawberries, fresh green mint leaves, and slices of cucumber. The glasses are filled with clear water, and the ingredients are visible through the glass. The lighting is soft and focused, highlighting the textures of the fruit and the clarity of the water. The overall aesthetic is clean, fresh, and inviting, perfectly complementing the summer theme of the text.
